## Travel Tuesday Came Early

While Black Friday and Cyber Monday get a lot of attention, Travel Tuesday is the real headliner. It's the day airlines, hotels, and tour companies roll out some of their biggest discounts of the year. And when you work with me as your travel advisor, you can see these offers in advance.

Here's just a sample of what is available:

### Rocco Forte

A family-run, luxury hotel group for four generations, Rocco Forte has some of my favorite hotels in Europe (Italy, Belgium, Germany, Belgium, and the U.K.). The hotels themselves are

historic buildings transformed into elegant hotels, each with exceptional decor, upscale restaurants, and of course, five-star service. Some of my top picks are Hotel Amigo in Brussels, Hotel Savoy in Florence, and The Balmoral in Edinburgh.

**Deal:** Up to 30% off across all Rocco Forte Hotels.

**Booking window:** November 25 to December 2, 2025

Travel dates: May 1 to August 31 2026

**Note:** The public booking window begins November 27, so let me know if you're interested, and we can lock it in before anybody else.

## Rosewood

Rosewood hotels are refined and sophisticated yet authentic, committed to showcasing local cultures in their decor, menus, and experiences. You'll find Rosewood all across the globe, from New York City to Montecito in the U.S., and from Madrid to New Zealand abroad.

**Deal:** Up to 30% off, plus a credit with no minimum length of stay.

**Booking window:** November 11–18, 2025. (Act fast!)

Travel dates: November 11, 2025 to June 30, 2026. Blackout dates apply.

## The Shelborne By Proper

Proper Hotels are stylish and soulful, with each property showing off local design and the brand's signature West Coast flare. Proper Hotels bring a fresh take on luxury that's less about formality and more about feeling.

One of the group's newest hotels, The Shelborne By Proper is a Miami icon with its Art Deco glamour, oceanfront energy, and modern style.

**Deal:** City View King rooms are \$300/night, and Ocean Front King rooms are \$500/night (typically closer to \$1,000/night). Book with me for a breakfast credit, \$100 dining credit, and guaranteed room upgrade.

**Travel dates:** Now until December 24, 2025. Blackout dates apply.

## **Virgin Voyages**

If you're looking for a cruise experience that's elevated, modern, and just for adults, Virgin Voyages might be the answer. Offering sailings in the Caribbean, Europe, and North America,

these ships are meant to feel more like a stylish, boutique hotel at sea rather than a huge resort vibe.

**Deal:** 80% off a second sailor for all voyages through 2027.

**Booking window:** November 1–20, 2025

**Note:** Depending on your sailing length and cabin type, you'll also get up to \$400 in free drinks. Message me to find out the details.
